

PP M LINE - HOW TO USE

INFO FOR YOUR SAFETY:

Do not fill above the limit of filler, reported along the main sides of the bin.

Do not fill above the gross weight:

- 30L - 15 kg
- 50L - 27 kg
- 80L - 30 kg

TEMPORARY CLOSURE:

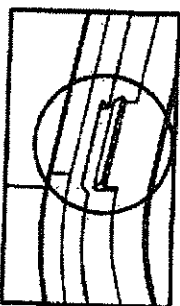

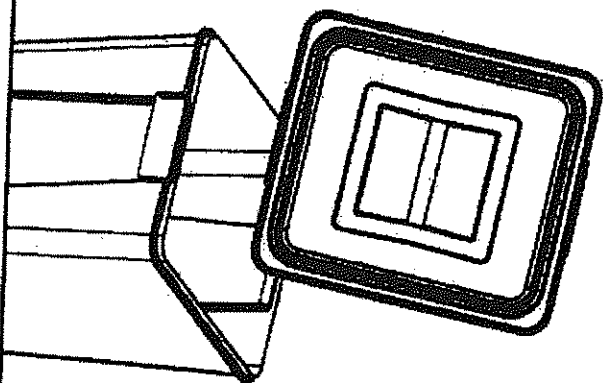

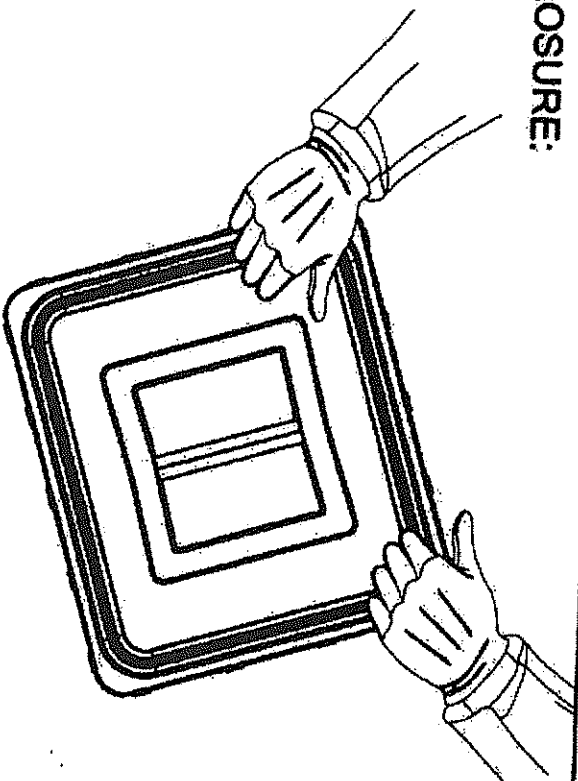

Figura A

Place the lid on the top of the bin, without pressing to avoid the definitive closure. (Fig. A)

DEFINITIVE CLOSURE:

Put the lid on the bin.
Apply a force on each side in connexion of teh harpoons as soon as you can hear the "click".
Now the harpoon is fixed at the bin in a permanently way.
